

TIC SUMMER CAMP DC NORTH SITE 2017 PARENTS HANDBOOK

4200 Davenport St NW, Washington, DC, 20016

(703)-447-8934, ticcamp.dcnorth@gmail.com

PLEASE READ! Below is super important information that will help you prepare for your camper's time at camp. Please keep this information handy throughout the summer.

CAMP TELEPHONE NUMBERS

Please plug this number (703-447-8934) into your cell phones now, so you don't forget later! The DC North

Director, Samantha Daniel
TIC Camp Office, Health Advisor and
Extended Day: **703-447-8934**
DCn camp email is checked around
the clock. This is a good place to
send us a message
ticcamp.dcnorth@gmail.com

(DCn) Camp Office is where you can leave any messages about absences or early pickups, as well as any day-to-day requests for your camper. In addition, our camp email (ticcamp.dcnorth@gmail.com) is a great place to contact us. DCn camp email is checked around the clock.

Whenever you call, please identify yourself with your CAMPER's first and last name and leave a detailed message if you get voice mail. The TIC Main Office will still be staffed intermittently during camp season, so it is often best to shoot us an email. Regarding registration or billing matters, contact Tabitha Glading at

tabitha@ticcamp.com, 703-876-2868. For all other concerns, contact Emily Riedel at emily@ticcamp.com.

ORIENTATION: THE FIRST DAY OF EACH SESSION, 8:00 to 8:30am

Orientation is a big "Welcome to TIC!" that is held in the Forum on the ground floor of the [Georgetown Day High School](#) on the first day of camp. Orientation is especially important for first time campers, but all parents are welcome to see the facility, meet their child's counselor, turn in forms, ect.

Please park in the underground garage or in the spaces available in front of the school. Starting at 8am, we will have tables setup for parents to visit if needed. If you have attended orientation before or do not have any camp business to attend to (see below), please come closer to the start time of Orientation at 8:30am. (You can also use the "kiss and ride" for drop-off.) Between 8 and 8:30 you can do any of the following:

CAMPER FORMS

New this year, the Health Information is filled out and submitted through your [online account](#). THIS INFORMATION MUST BE SUBMITTED PRIOR TO ARRIVING TO CAMP. Your child cannot participate until we have this information.

MEDICATION

Turn in to our **Camp Health Advisor** any medication for your child that is to be taken during camp. It must be brought in its original prescription container and a medication authorization form needs to be completed. This is also a good time to talk to the Health Advisor about any medical concerns.

EXTENDED DAY

Sign up for Extended Day – after the first day of camp, the drop in charge is \$20 per day (pick up before 4pm) or \$35 per day (pick up by 6pm). The full 2 week session is \$250.

CARPOOL CARDS (FOR PICK UP)

Get additional carpool cards for other campers in your carpool – and you **MUST** have an official card for every rider in your carpool.

CAMP STORE

Purchase items from the Camp Store! If your camper is not already carrying a water bottle (this is *required* for athletics) we have them on sale as well as TIC hats and other items. Your camper will love our gear!

Promptly at 8:30, **Camp Director, Samantha Daniel** will welcome everyone, give a few introductions, and then get the campers into their technology or athletic groups as quickly as possible. After the campers are dismissed, there will be a brief talk on TIC's purpose, method, logistics, and Q and A. We promise to wrap things up by 9am.

DAILY SCHEDULE

Senior campers (rising 6th graders and older) will be in athletics, first thing on Monday morning. The Junior campers (rising 2nd through 5th graders) will meet their technology counselors first. After lunch, Juniors go to sports, Seniors to technology. The schedule flip-flops each day: wherever campers were in the afternoon is where they start the next morning. To reiterate: Junior campers have technology in the morning on Monday, Wednesday and Friday and in the second week Tuesday and Thursday. Senior campers have technology in the mornings on Tuesday, Thursday and in the second week Monday, Wednesday and Friday.

WHAT TO BRING TO CAMP

Since all campers are in athletics each day, they must be in shoes with covered toes, preferably sneakers. **Crocs, flip flops, and sandals are NOT safe for the games we play.** Campers not ordering a box lunch (see more information from [Smart Lunches](#)) should bring a non-perishable lunch with a beverage or use an insulated lunch box with an ice pack. Campers **MUST LABEL THEIR LUNCHES EVERY DAY** with their first and last name and date. There are VERY hot days each summer so please make sure to send your camper(s) with a filled bottle of water, which can be replenished throughout the day. Hats are also a great way to combat the heat.

Campers enrolled in tennis bring their own rackets to camp each day. We recommend everything be *labeled with first and last names*. Please keep valuables at home, since there is no way to safeguard personal property except to keep it in sight. We are not responsible for items lost at camp. Campers can have cellphones in their backpacks, but keep them off during the day. All personal electronic use is not allowed during the camp day. Camp policy forbids the possession and use of alcohol, drugs, and weapons by anyone at camp; pets are not allowed.

WALKING FROM THE METRO

Campers taking the Metro should get off at the Tenleytown-AU station, turn right at the top of the escalator and exit the *West Side* of Wisconsin Ave. It is an easy five-minute walk from the Metro, on side streets. Turn left at the exit, walk to River Road, cross Brandywine to the west side of 42nd street, then straight ahead two blocks to GDS High School.

MORNING KISS AND RIDE: 8:00 to 8:30am

The only entrance to the campus is off of 42nd Street, NW. Carpools will enter Davenport Street, please loop around the circle, drop off campers in front of the school and continue out. Starting at 8:00am, staff members will be waiting to greet campers, check them in, and get them ready for the day. If you arrive after 8:30, please park and walk your camper into the TIC Office, Room 112 (a little further down the hall). Through the glass doors, turn left, go up one flight through the Forum and the office is down the hall slightly to the right.

ATTENDANCE

If your child is absent or coming late, please call the TIC-DCn CAMP OFFICE (703) 447-8934 prior to 8:30am. (Please do not call the TIC Main Office or the message will be delayed.) If we don't hear from you and your child is absent, we will call you at 9:00am to check attendance. **PLEASE DO KEEP YOUR CHILD HOME if they show any signs of the flu or any other infection, which includes 100+ degree fever, vomit, diarrhea, or any other communicable disease.** We will send home any child exhibiting such symptoms.

DEALING WITH HOT WEATHER

Campers are REQUIRED to bring their own *filled* water bottles (to prevent dehydration). These are refilled throughout the day. We have TIC water bottles for sale if campers forget to bring one. Write your camper's first and last name on the bottle with permanent marker! We provide sunscreen daily for our campers to apply themselves, or they can bring their own, and we recommend hats for sun protection. Our TIC hats are very fashionable and are on sale in our camp store!

WALKING TO TENNIS

All campers who are enrolled in tennis will walk with their counselors four blocks to and from the public tennis courts near the corner of [41st and Chesapeake Streets NW](#). We take every precaution to ensure the campers' safety; they will cross Wisconsin Ave at the crosswalk and traffic light.

PICKING UP CAMPERS EARLY

To pick up a camper before 2:40pm, please call or email the DCn Camp Office (preferably the day before), park and come into the office with your carpool card. We will make every effort to have your camper ready for you in the office. If you have not made prior arrangements or you arrive *after* 2:40, please wait in the carpool line.

PICKING UP CAMPERS IN CARPOOL 3:00 to 3:15pm

Cars enter from 42nd Street and loop through the parking area as in the morning. Our efficient carpool line takes no longer than 15 minutes. Yes, you read that correctly! We have the fastest carpool in the country, no need to wait, come at 3:05 and sail right through. **Parents arriving to carpool after 3:15** please park and come in to Extended Day. After 3:30, you will be charged the \$20 (before 4pm) or \$35 (before 6pm) drop-in fee. We will provide your camper(s) a snack and your camper(s) will be happily engrossed in extended day activities. Please bring your carpool card to pick up from Extended Day or anytime so we know you are "authorized."

EXTENDED DAY, 3:15 to 6:00 pm

To use Extended Day, please pay for it in advance (\$250 per 2-week session) by the first day of camp. The charge for drop-in Extended Day is \$20 (pick up before 4pm, a full 30 minutes after camp ends) or \$35 (pick up before 6pm) per day. There are no refunds for Extended Day after the first day of camp. Extended Day campers are provided a snack, and settle in for fun activities (e.g. board games, arts and crafts, reading, chess, playground games, socializing). **Please keep your electronics at home. There is no computer or electronic use.** Parents can pick up their children any time before 6:00pm. Park your car and come into the cafeteria with your carpool card to fetch your child. **The building closes at 6:00pm so PLEASE DO NOT BE LATE!** Parents who are late (after 6:00pm) will be charged \$10 for the first 15 minutes, \$1 per minute after that. **Please call the TIC-DCn Camp Office telephone, (703) 447-8934, if you find you will be delayed.**

TIC's FAMOUSLY EFFICIENT CARPOOL

Two weeks before your session begins, we will email a carpool directory and carpool card with your camper's name for you to print and display in the front window of *anyone authorized to pick up*. Since we

are emailing carpool cards, it will also include a watermark to ensure security. If you decide to forward your carpool card to others, you are therefore authorizing them to pick up your camper(s).

Please attach the card to the PASSENGER SIDE of your windshield so it is easily seen by the carpool monitors. You can get additional cards at Orientation for other children in your carpool. **We cannot release a camper to anyone – even a parent – not displaying the appropriate card.**

Drivers without cards will be directed out of carpool and must show I.D. before we release campers. We know this can be time-consuming for those who forget, but this will ensure the safety of all children. In an *emergency only*, phone the Camp Office to authorize someone without a card to pick up your child. Senior campers who walk, ride bikes, or take public transportation need to send in a note on the first day of camp authorizing and they will be dismissed on their own after checking out with the Director prior to the beginning of carpool.

COMPUTER COPYRIGHT LAWS AND COMPUTER VIRUSES

We strictly observe copyright laws governing computer software. No “pirating” of any commercial software is allowed. In order to prevent viruses on our computers, campers are **NEVER** allowed to bring their own software to camp or USB drives to save files. All projects will be uploaded to the project website on the last day of camp at www.ticcamp.com/dailyticker/parent-resources for easy enjoyment and downloads!

THE DAILYTICKER, GROUP PHOTOS, AND TIC PICS

I know, isn't that name something! We update our Blog (www.ticcamp.com/dailyticker) to provide timely, fun tidbits and videos of the happenings of camp frequently and year round. Don't miss pics and news about camp, staff bios, and especially your invitation to the Parent Open House, the last afternoon of each session. TIC PICS and Group Photos (password: tic4ever) are also located on our [blog](#) so be sure to check it out regularly! Think of the DailyTICKer as a one-stop-shop for all things TIC. In addition, our [camp newsletter](#) (released monthly!) is located on our blog.

PARENTS OPEN HOUSE

You are invited to visit camp on the afternoon of the last day of the session. Spend part or all afternoon to visit with your camper's counselor and see tech projects between 1:00 and 3:00pm. We realize many parents will be missing work to attend, so a more detailed schedule will be emailed and posted to our [blog](#).

EMERGENCIES + REPORTING

In the case of an emergency, parents will be notified as soon as possible. If it is a life threatening or time sensitive situation, the proper authorities will be called and/or notified. In the case of weather or other natural disaster, TIC Summer Camp will contact parents via email, web, phone, and text with the information provided. Please make sure your information is up to date in our records. TIC Summer Camp is required to report any suspected child abuse as required by the law.

CAMPER ILLNESS, INJURY & MEDICATIONS

Our Camp Health Advisor will call you as soon as possible if your camper experiences an illness or injury at camp. Any over the counter medication administered will only be done with the consent of the parent or guardian. Campers who require prescription medications must complete a [Medication Authorization Form](#) prior to camp, meet with the Camp Health Advisor, and provide medication in its original container.

Campers are also required to wash and sanitize their hands **before and after** lunch to help prevent allergic reactions and the spread of disease.

BEHAVIOR

Acceptable forms of behavior are well-known for school aged children. We want to make sure everyone is treated with kindness and respect, along with having a great time at camp! Every effort is made to identify and pro-actively redirect the campers' attention when a potential problem is brewing. However, things do happen and parents will be notified when persistent behavioral problems are identified. There are no refunds if a camper is dismissed due to persistent, documented behavioral issues.

LOST AND FOUND

Check out the Lost and Found at any time in the Camp Office. We collect a lot of stuff! *Be sure to mark all personal items with first and last names.* We try to return marked items to campers during camp, and we always display lost and found items during the Parent Open House at the end of each session. We are not able to store or keep these items past the summer. Anything left will be donated on the last day of the summer, August 11.

LUNCHES

Our online box lunch provider is [Smart Lunches](#) (attached flyer), delivering a meat or a vegetarian option daily. You can order [here!](#) You'll be able to choose from a variety of lunches, which are made fresh and delivered to your camper right before lunch. A sample menu is available for download [here](#). Get a lunch delivered every day your child attends camp, or just one time—there's no minimum order! If you prefer to send a homemade lunch, please make it non-perishable since we have no refrigeration available. Or, if packing perishables, use an ice-pack in an insulated container. We are a NUT friendly camp, however we also provide a NUT FREE area for campers to eat lunch.

WE WANT FEEDBACK!

We pride ourselves on our flexibility and responsiveness. It is tragic to us if we hear too late about something we could have fixed that has spoiled a camper's TIC experience. Let us hear from you! (We take compliments too!)

Smart Lunches is Delivering to Your Camp This Summer!

We're partnering with your child's camp to deliver fresh, tasty lunches this summer! Our online ordering platform makes it easy for parents to feed their kids a healthy, delicious lunch that actually gets eaten.

ORDERING OPENS MAY 2017!

Get notified the instant you can order for your child's camp! Visit www.smartlunches.com, find your child's camp, and sign up to receive updates.

WHAT WE DELIVER WITH OUR SERVICE

- ✓ **VARIETY** : Our rotating menu features 6 hot & cold options every day.
- ✓ **NUTRITION** : Taste-tested, nutrient-dense meals that kids love.
- ✓ **CONVENIENCE** : Online ordering and guaranteed satisfaction gives you parenting peace of mind.
- ✓ **HAPPY KIDS** : We've got a smarter take on kid favorites: mac & cheese, chicken nuggets, pasta with marinara, and more!

HOW IT WORKS

STEP 1

Parents visit www.smartlunches.com and describe their child's tastes & dietary needs.

STEP 2

Parents order healthy lunches from their child's custom Smart Lunches menu.

STEP 3

Professional local caterers prepare fresh, delicious lunches early each morning.

STEP 4

Smart Lunches delivers a tasty, nutritious lunch directly to your kids at their camp.
